

SAFETY DATA SHEET

Inkcups Inc.
 20 Locust St. Suite 104
 DANVERS, MA 01923

Phone: (978) 646-8980
 Fax: (978) 646-8981
 EMERGENCY PHONE: 1-800-535-5053 (INFOTRAC)
 1-800-774-5217 (Information)

PRODUCT NAME: Nu-Pad Oil

HMIS: HEALTH- 1; FIRE- 1; REACTIVITY- 0
 CARCINOGEN: NTP (No) IARC (No) OSHA (No) (HMIS code ratings are estimated by A.S.I.)

I. IDENTIFICATION **D.O.T Hazard Class** N/A **U.N. Number** N/A
Shipping Name: Not Regulated

II. PHYSICAL DATA

PERCENT VOLATILE: N/A	SPECIFIC GRAVITY: 0.98
BOILING RANGE: No information	VAPOR PRESSURE: N/A
VAPOR DENSITY: Heavier than air	SOLUBILITY IN WATER: Negligible
APPEARANCE: Clear colorless liquid	EVAPORATION RATE: butyl acetate=1 N/A
	ODOR: No odor

III. INGREDIENTS	C.A.S. #	WT%	EXPOSURE LIMITS
Silicone Oil	N/A	100	N.E.

IV. FIRE & EXPLOSION HAZARD DATA **FLASHPOINT** > 572°F Closed Cup **LEL / UEL** N/A

Extinguishing Media: dry chemical, sand, foam or carbon dioxide.

Unusual Fire & Explosion Hazards: Closed containers may explode, due to buildup of pressure, when exposed to extreme heat or fire. Fumes liberated by heat may be toxic and irritating.

Special Fire Fighting Procedures: Wear self-contained breathing apparatus and complete personal protective equipment. Remove all ignition sources. Use water spray to cool fire exposed containers.

V. REACTIVITY DATA **STABILITY:** Stable **HAZARDOUS POLYMERIZATION:** Will not occur

Conditions to Avoid: Excessive heat.

Incompatibility: Strong oxidizing and reducing agents. Mercaptans, amines and strong bases.
(Materials to Avoid)

Hazardous Decomposition Products: Fumes produced when heated to decomposition may contain carbon dioxide, silicon dioxide.

----- To
 the best of our knowledge, the information contained herein is accurate. However, neither Anchor Seal, Inc., nor any of its representatives, assume any liability whatsoever for the accuracy or completeness of the information contained herein. Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown health hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist.

VI. HEALTH HAZARDS: Effects of over exposure:

Ingestion: (Swallowing): None known.

Inhalation: (Breathing): Not a likely source of contamination.

Skin (Contact & Absorption): None Known.

Eye (Contact): May produce temporary irritation and redness.

Chronic Effects of Over Exposure: No specific information available.

EMERGENCY & FIRST AID PROCEDURES:

Eye (Contact): Flush with plenty of water, as soon as possible, holding eyelids apart to rinse the entire surface of the eye, for at least 15 minutes. Consult a physician.

Skin (Contact): Wash immediately with soap and water.

Ingestion (Swallowing): If appreciable quantities are swallowed, immediately consult a physician.

Inhalation (Breathing): In case of discomfort caused by inhaling a high concentration of vapors, get fresh air. If person is not breathing, start artificial respiration and contact an Emergency Medical Technician or a Physician.

VII. SPILL or LEAK PROCEDURES: Steps to be taken if material is spilled:

Eliminate ignition sources. Dike spill to minimize contamination. Completely absorb with sand, vermiculite, etc. Scoop up and out and put in a disposal container. Wash contaminated area with water and detergent. Prevent washings from entering sewers and waterways. Ventilate area involved.

Waste disposal method: Incinerate or bury in landfill in accordance with federal, state and local regulations. U.S. EPA does not define this product as hazardous waste under RCRA. It is the responsibility of the user to determine at the time of disposal, whether the product meets RCRA criteria.

VIII. SPECIAL PROTECTION INFORMATION:

Respiratory Protection: Not required.

Ventilation: Local exhaust N/A.

Protective Gloves: Impervious, neoprene, nitrile.

Eye Protection: Safety goggles.

Other Protective Equipment: Coveralls, rubber apron, lab coat.
An eye wash fountain should be available.

IX. SPECIAL PRECAUTIONS: Remove contaminated clothing immediately. Launder or dry clean before reuse. Discard contaminated footwear.
